MARIN'S

MARIN'S IS A SERVICE COMPANY DEDICATED TO THE CREATION,
MANUFACTURING AND DISTRIBUTION OF IN-STORE MARKETING SOLUTIONS
THROUGHOUT THE WORLD. FOR MORE THAN 20 YEARS, WE HAVE BEEN
CONTINUOUSLY DEVELOPING INNOVATIVE AND PERSONALIZED POS DISPLAYS
AND ARE THE EXCLUSIVE DISTRIBUTOR OF THE FAMOUS **LAMà® DISPLAY.**

NETWORK

WORLDWIDE

MORE
THAN **100** COUNTRIES

MORE
THAN **25** PRODUCTION
SITES

Thanks to our network
of licensees, we can provide
in-store marketing solutions
all around the world.

DELIVER & MONITOR

Once we've delivered your displays, we monitor your campaigns.

MANUFACTURE

We manufacture your design according to your budget.

PROTOTYPE

We build a white prototype of your display according to your budget.

BRIEF

We listen to your brief, discuss your objectives and then we get to work!

DEFINE

Our designers conduct research to better understand and answer your needs.

CREATIVE SERVICES

We assist you at every stage of the design of your display, including execution and graphic design.

SIMULATE

We generate 3D simulations of your crazy and creative ideas.

EXPLORE

Design thinking

MATERIALIZED

UNDERSTAND

An aerial photograph of a dense, lush green forest canopy. The trees are tightly packed, creating a textured pattern of various shades of green. The lighting is bright, highlighting the tops of the trees.

GO
GREEN

SUSTAINABLE DEVELOPMENT
HAS ALWAYS BEEN AT THE
HEART OF OUR CONCERNS.

Throughout our production
process, we ensure that
we maintain minimal
environmental impact and
continue to develop display
solutions that are evermore
environmentally friendly.

LAMà®'s composition
100% recyclable LAMà®.
Natural latex elastics.
Acrylic varnish finish.

Materials
Corrugated cardboard
made from natural and/or
recycled wood fibres.

Electricity from renewable
energy sources used at our
manufacturing site.

Compact packaging.
Optimized pallet transport.

RECYCLABLE

CARGO™-Green™

OUR **100% RECYCLABLE** RANGE OF STOCKERS

supports heavy weight per shelf →

The environment has always been at the center of our concerns at Marin's, therefore it seemed necessary to adapt our offer to provide our customers **in-store marketing solutions** more respectful of the planet.

Our goal 2019?
Remove plastic from our stocker displays.

Mission accomplished by our R&D teams!

Discover **Cargo™-Green™**, our new range of **100% recyclable displays**.

Cargo™ Displays are perfect for your merchandising operations because they're fast to set up, compact and can support heavy weight per shelf presenting many advantages for clients, products but also transport.

Some examples

ROLLERSIGNSTM

Unique Brand Enhancement

1 RollersignsTM retrofits the many hundreds of millions of retractable belt barriers being used globally.

The post adaptor will attach to any retractable post. Once attached it still allows the belt to be used and the cassette to be fitted.

3 The Rollersigns cassette can now be easily attached to the barriers ready to unveil the RollersignsTM printed pull down advertising banner.
Banner size: 1455x1000mm
